- Collectibles and Upgrades
- Frequently Asked Questions

## Getting Started

Before diving into the world of Final Fantasy VII Remake, players need to familiarize themselves with the game's mechanics and systems. The game is set in the sprawling city of Midgar, where players primarily control Cloud Strife, a mercenary and former member of SOLDIER. Understanding the basic controls, menu navigation, and combat mechanics is crucial for an enjoyable experience.

## Game Basics

The game begins with an introductory sequence that introduces players to the primary characters and the overarching narrative. Players should pay attention to the tutorial prompts that guide them through basic actions, such as movement, combat, and interaction with NPCs. The following aspects are essential for getting started:

- Understanding the character roles: Each character has unique abilities and strengths.
- Learning the battle system: The Active Time Battle (ATB) system allows players to

execute special commands during combat.

- Exploring the environments: Midgar is rich with detail and secrets, encouraging players to explore every nook and cranny.

## Main Story Walkthrough

The main storyline of Final Fantasy VII Remake unfolds across multiple chapters, each filled with narrative developments and challenges. Players will progress through the game by completing missions, battling enemies, and engaging with the rich lore of the Final Fantasy universe.

## Chapter Breakdown

The game is divided into several chapters, each with its own set of objectives and encounters. Here is a brief overview of key chapters:

- **Chapter 1: The Train Graveyard** - Introduces players to the world and sets the stage for the conflict against Shinra.
- **Chapter 2: The Reactor** - Players engage in their first major mission, infiltrating a Mako reactor.
- **Chapter 3: The Slums** - Explore the Sector 7 slums and meet various characters that influence the story.
- **Chapter 4: The Wall Market** - A vibrant area filled with side quests and unique characters.
- **Chapter 5: The Sector 5 Church** - A pivotal chapter that deepens character relationships and plot development.

## Side Quests and Activities

Side quests are an integral part of Final Fantasy VII Remake, providing players with opportunities to gain experience, items, and deeper insights into the world. Engaging in these quests not only enhances the gameplay experience but also enriches the story.

## Types of Side Quests

There are various types of side activities players can engage in, including:

- **Side Quests:** Missions that can be undertaken for rewards and character development.
- **Hunting Quests:** Tasks that require players to defeat specific enemies.
- **Chocobo Challenges:** Mini-games that allow players to race and earn rewards.

## Combat Strategies

Combat in Final Fantasy VII Remake combines real-time action with strategic elements. Players must adapt their strategies based on the enemies they face, utilizing each character's unique abilities effectively.

## Tips for Effective Combat

To excel in combat, consider the following strategies:

- **Utilize the ATB system:** Build up your ATB gauge to unleash powerful abilities and spells.
- **Switch characters frequently:** Each character has distinct skills that can be advantageous in different situations.
- **Know your enemy:** Understanding enemy weaknesses will help in selecting the right attacks.

## Collectibles and Upgrades

Throughout the game, players can find various collectibles and upgrades that enhance their characters' abilities. These items are crucial for maximizing performance in battles.

## Types of Collectibles

The following collectibles can be found in the game:

- **Materials:** Magical orbs that grant characters new abilities.
- **Weapons:** Unique weapons that improve character stats and provide special skills.
- **Accessories:** Items that provide passive bonuses to characters.
