 - Large (L): 12-14, 39-41 inch bust, 32-34 inch waist
 - Extra-large (XL): 16-18, 42-44 inch bust, 35-37 inch waist

How to Measure Yourself

To find the best fit using the Frank and Oak size guide, accurate measurements are crucial. Here's how to measure yourself correctly:

1. Bust: Measure around the fullest part of your bust, keeping the tape level and snug but not tight.

2. Waist: Measure around the narrowest part of your waist, usually just above your belly button.
3. Hips: Measure around the widest part of your hips, ensuring the tape is level across your back.
4. Inseam: For pants, measure from the top of your inner thigh down to your ankle bone.
5. Sleeve Length: For tops, measure from the center back of your neck, across your shoulder, and down to your wrist.

Having these measurements in hand will allow you to more accurately compare against the Frank and Oak size chart.

Men's Clothing Size Guide

Understanding men's sizing at Frank and Oak can significantly enhance your shopping experience.

Tops

Frank and Oak offers a range of tops, including shirts, t-shirts, and sweaters. Here's a breakdown of their sizes:

- Shirts: Generally, if you wear a size M in other brands, you'll likely wear a size M in Frank and Oak shirts. Pay attention to the fit (slim, regular) as this can affect sizing.
- Sweaters and Jackets: These often have a more relaxed fit. If you prefer a snugger fit, consider sizing down.

Bottoms

When it comes to pants and shorts, Frank and Oak provides a variety of fits, including slim, regular, and relaxed.

- Pants: The waist size is generally true to size. If you are between sizes, you may want to select the larger size, especially if you intend to wear them with thicker fabrics or in colder weather.
- Shorts: Similar to pants, shorts follow the same waist measurements. The length may vary depending on the style, so check the product description.

Women's Clothing Size Guide

Women's clothing at Frank and Oak is designed to be versatile. The size guide for women's clothing is as follows:

Tops

For women's tops, the fit may vary based on the style:

- Blouses and Shirts: Generally true to size. If you want a more tailored look, consider sizing down.
- Sweaters and Cardigans: These can often be worn oversized; however, if you prefer a fitted look, refer to the size chart.

Bottoms

When selecting bottoms, keep in mind the following:

- Pants and Jeans: Frank and Oak pants typically run true to size. If you have wider hips, consider going up a size for comfort.
- Skirts and Dresses: These are usually fitted at the waist. If you're between sizes, opt for the larger size for a comfortable fit around the hips.

Footwear Size Guide

Frank and Oak also offers a range of footwear, and knowing your size is key to making a good purchase.

Men's Footwear

- Sizes: Frank and Oak men's shoes generally follow standard US sizing. If you usually wear a size 10, you'll likely fit into a size 10 in Frank and Oak shoes.
- Widths: If your feet are wider than average, consider going a half size up for comfort.

Women's Footwear

- Sizes: Women's shoes also follow standard US sizing. Check the specific product page for any variations in sizing, especially for boots and heels.
- Fit: For open-toed shoes, a snug fit is usually acceptable, but for closed-toe shoes, consider the width and arch support when selecting your size.

Plus Sizes and Extended Sizing

Frank and Oak is committed to inclusivity and offers a selection of plus and extended sizes.

- Plus Sizes for Women: Sizes typically range from 16 to 24. The fit is designed to flatter curvier figures while maintaining style.
- Extended Sizes for Men: Men's sizes may extend up to 3XL in certain styles. Always check the specific product descriptions for availability.

Tips for Online Shopping

When shopping online, especially for brands like Frank and Oak, it's important to keep a few tips in mind:

- Check the Return Policy: Frank and Oak has a customer-friendly return policy, allowing you to exchange or return items that don't fit as expected.
- Read Customer Reviews: Many customers share their experiences regarding sizing and fit, which can provide insight beyond the size chart.
- Consider the Fabric: Different fabrics offer varying levels of stretch and comfort. For example, 100% cotton may shrink slightly after washing, while blends may fit differently.
- Use the Size Filter: When browsing, utilize size filters to narrow down your options quickly based on your measurements.

Conclusion

Navigating the Frank and Oak size guide doesn't have to be a daunting task. By understanding the sizing chart, how to measure yourself accurately, and the fit of different clothing categories, you can make more informed purchasing decisions. With a focus on sustainability and style, Frank and Oak provides a diverse range of clothing options that cater to a variety of shoppers. By keeping these tips in mind, you'll be well on your way to finding the perfect fit for your wardrobe.
