- The message: Read reviews or descriptions to understand the focus of the deck.
- Your intuition: Trust your instincts—choose the deck that calls to you.

2. Set Your Intention

Before you begin your reading, take a moment to set a clear intention. This could be a specific question, a desire for guidance, or simply a request for insight into your current life situation. Focusing on your intention helps to channel the energy of the cards.

3. Shuffle the Cards

As you shuffle the cards, keep your intention in mind. This process helps to infuse the deck with your energy and prepares the cards for your reading. You can shuffle in any way that feels comfortable, whether it's traditional card shuffling or simply mixing them up on a surface.

Choose the method that resonates most with you for the reading.

5. Interpret the Cards

Once you have drawn your cards, take time to interpret their meanings. Refer to the guidebook that comes with your deck, but also trust your intuition. Reflect on how each goddess's message relates to your life and situation. Consider the following during your interpretation:

- The symbolism of the goddess featured on the card
- The message or words accompanying the card
- Your personal feelings or thoughts about the card
