Step 1: Prepare Your Sticks

1. Take two sticks and position them in a cross shape. One stick should be horizontal, and the other should be vertical.
2. Secure the center by wrapping a small piece of yarn around the intersection several times to hold them together.

Step 2: Start Wrapping the Yarn

1. Choose your first color of yarn and tie it to one of the sticks, leaving a tail for later.
2. Begin wrapping the yarn around the sticks. Start with the horizontal stick, then wrap around the vertical stick, creating a zig-zag pattern.
3. Continue wrapping until you achieve your desired thickness, ensuring that you keep the yarn tight and even.

Step 3: Change Colors

1. To add a new color, simply tie the new yarn to the old yarn, leaving a small tail.
2. Continue wrapping, alternating colors as desired. Each color can represent different meanings or emotions.

Step 4: Finishing Touches
