Steps to Create a French Braid:

1. **Brush Your Hair:** Start with clean, dry hair. Use a brush to eliminate any tangles.

3. **Begin Braiding:** Cross the right section over the middle section, followed by the left section over the new middle section. You should now have a braid forming.
4. **Add Hair to the Braid:** As you continue to braid, add a small section of hair from the side to the right section before crossing it over to the middle. Repeat this on the left side.
5. **Continue Until Completed:** Keep alternating sides, adding hair until you reach the nape of your neck. Then braid the remaining hair and secure it with a hair tie.
