What is Hangman?

Hangman is a simple yet engaging word-guessing game that has been around for decades. The objective of the game is straightforward: players must guess the hidden word by suggesting letters within a certain number of attempts.

How to Play Hangman

The basic rules of hangman are easy to understand:

1. Choose a Word: One player (or the computer) selects a word or phrase and represents it with blanks on a piece of paper or a screen.
2. Guess Letters: The other player(s) take turns guessing letters that they think might be in the word.
3. Track Incorrect Guesses: Each time a letter guessed is not in the word, a part of a hangman figure is drawn, representing a life lost.
4. Win or Lose: The game continues until the players either guess the word correctly or the hangman drawing is completed, resulting in a loss.
