

how to get the history channel on youtube tv

How to get the History Channel on YouTube TV is a question many cord-cutters ask as they seek to enjoy their favorite shows without traditional cable subscriptions. The History Channel, known for its engaging documentaries and series about historical events, has become a staple for viewers interested in learning about the past in an entertaining way. YouTube TV provides an excellent platform for accessing live TV channels, including the History Channel, but setting it up correctly may require some guidance. In this article, we will explore how to get the History Channel on YouTube TV, covering everything from subscription details to troubleshooting common issues.

Understanding YouTube TV

YouTube TV is a subscription-based streaming service that offers live television content from a wide range of channels, including sports, news, and entertainment. With a simple user interface and the ability to record shows, YouTube TV has become a popular choice for those who wish to cut the cable cord.

Basic Features of YouTube TV

- Live TV Streaming: YouTube TV offers over 85 channels, including local broadcast networks and popular cable channels.
- Cloud DVR: Subscribers can record live TV, with unlimited storage for recordings that can be saved for up to nine months.
- Multiple Streams: YouTube TV allows streaming on three devices simultaneously, making it perfect for families.
- User-Friendly Interface: The platform is easy to navigate, with a search function that allows users to find shows, movies, and channels quickly.

Getting Started with YouTube TV

To access the History Channel on YouTube TV, you first need to set up a YouTube TV account. Below are the steps to get started.

1. Check Availability

Before signing up, ensure that YouTube TV is available in your area. You can do this by visiting the

YouTube TV website and entering your zip code.

2. Create an Account

To create a YouTube TV account, follow these steps:

1. Go to the YouTube TV website.
2. Click on the “Try it Free” button (if available) or “Sign Up.”
3. Follow the on-screen instructions to provide your email address and create a password.
4. Enter your payment information to start your subscription. YouTube TV offers a free trial for new users, so you can explore the service before committing.

3. Choose Your Subscription Plan

YouTube TV typically offers a base package that includes a variety of channels, including the History Channel. As of now, the base subscription price is around \$72.99 per month. However, this can vary based on promotions or additional add-on packages.

Check the channel lineup on the YouTube TV website to confirm that the History Channel is included in your plan.

Accessing the History Channel

Once you have set up your YouTube TV account, you can easily access the History Channel.

1. Navigating the Interface

- Home Screen: After logging in, you will be taken to the home screen. Here, you can see recommendations based on your viewing history.
- Live Tab: Click on the “Live” tab to view all channels available.
- Search Function: Use the search bar to type in "History Channel" to find the channel quickly.

2. Watching Live TV

After locating the History Channel:

1. Click on the channel logo.
2. Select “Watch Live” to start streaming.
3. You can also browse the channel’s schedule to see what shows are currently airing or upcoming.

3. Using Cloud DVR

To record a show on the History Channel using YouTube TV’s Cloud DVR:

1. Navigate to the show you want to record.
2. Click on the “+” icon next to the show title.
3. Confirm that you want to record the series or just that episode.
4. Access your recordings anytime through the “Library” tab.

Exploring Content on the History Channel

The History Channel offers a diverse array of programming that appeals to different audiences. Here are some popular shows and content you can find on the channel:

Popular Shows on the History Channel

1. Pawn Stars: A reality series that showcases a family-owned pawn shop in Las Vegas.
2. Ancient Aliens: A documentary series that explores the possibility of extraterrestrial influences on human history.
3. The Curse of Oak Island: A reality series following a team searching for historical treasures on Oak Island, Nova Scotia.
4. History’s Mysteries: A show that delves into intriguing stories from the past.
5. Alone: A survival series that places contestants in isolated locations to see who can last the longest.

Documentaries and Specials

In addition to regular programming, the History Channel regularly airs documentaries and specials that focus on significant historical events, figures, and phenomena. YouTube TV users can take advantage of the channel’s rich archive of content.

Troubleshooting Common Issues

While accessing the History Channel on YouTube TV is generally straightforward, you may encounter some issues. Here are common problems and solutions:

1. Channel Not Found

If you cannot find the History Channel:

- Check your subscription plan to ensure it includes the channel.
- Restart the YouTube TV app or website.
- Log out and log back in to refresh your account.

2. Streaming Issues

If you experience buffering or poor video quality:

- Check your internet connection speed; YouTube TV recommends at least 3 Mbps for standard definition and 7 Mbps for HD streaming.
- Restart your router or modem.
- Close any other applications that may be using bandwidth.

3. DVR Problems

If your recordings are missing or not functioning:

- Ensure that you have enough storage on your Cloud DVR.
- Check the recording settings for the particular show.
- Reboot the YouTube TV app.

Conclusion

In conclusion, getting the History Channel on YouTube TV is a simple process that allows viewers to enjoy a wide variety of historical programming and documentaries. By following the steps outlined above, you can easily set up your YouTube TV account, access the channel, and explore its content. As streaming

services continue to grow in popularity, YouTube TV stands out as a reliable option for those looking to cut the cable cord while still enjoying quality television. Whether you're interested in reality shows, documentaries, or historical dramas, the History Channel on YouTube TV has something for everyone. If you encounter any issues, the troubleshooting tips provided can help you resolve them quickly, ensuring that you get the most out of your viewing experience.
