Materials Needed

Before you start making your mini pom poms, gather the following materials:

- Yarn: Choose any color or type of yarn. For mini pom poms, lightweight yarn or embroidery floss works well.
- Fork: A standard-sized fork or a smaller fork for even tinier pom poms.
- Scissors: Sharp scissors are essential for cutting the yarn.
- Cardboard (optional): A small piece of cardboard can help if you want to create a more uniform size.
- Tapestry needle (optional): For threading yarn when attaching pom poms to other items.

Step-by-Step Instructions

Step 1: Prepare Your Yarn

1. Select the Yarn: Choose your favorite yarn color. If you want to create multi-colored pom poms, you can use more than one color.
2. Cut a Length of Yarn: Before starting, cut a piece of yarn about 6-8 inches long. This will be used

later to tie the pom pom.

Step 2: Wrap the Yarn Around the Fork

1. Hold the Fork: Take your fork and hold it upright with the tines facing up.
2. Start Wrapping: Take the yarn and start wrapping it around the fork. The more times you wrap the yarn, the fuller your pom pom will be.
 - For mini pom poms, aim for about 20-30 wraps.
3. Keep it Even: Try to keep the yarn wraps as even as possible. This will help create a more uniform pom pom.

Step 3: Secure the Pom Pom

1. Thread the Cut Yarn: Take the 6-8 inch piece of yarn you cut earlier and carefully thread it between the tines of the fork.
2. Tie a Knot: Pull the yarn tight and tie a double knot securely to hold the yarn in place. Make sure it is snug, as this will be the center of your pom pom.
3. Remove from the Fork: Gently slide the wrapped yarn off the fork.

Step 4: Shape the Pom Pom

1. Trim the Loops: You will notice that you have loops of yarn on either side of your knot. Use scissors to carefully trim these loops.
2. Fluff the Pom Pom: Once you have cut the loops, you can fluff out your pom pom by gently shaking it or squeezing it in your hands.
3. Trim for Uniformity: If you want a more uniform shape, trim any longer strands of yarn to achieve a rounder pom pom.
