Choose a specific time each day or week to fill out your worksheet. This could be in the morning to start your day on a positive note or in the evening to reflect on the day's events.

Step 2: Find a Comfortable Space

Create a comfortable and quiet environment where you can concentrate without distractions. This could be at your desk, in a cozy chair, or even outside in nature.

Step 3: Reflect and Write

Begin by reflecting on your day or week. Ask yourself questions such as:

- What made me smile today?
- Who helped me in a significant way?
- What challenges did I face, and what did they teach me?

As you think, jot down your responses in the designated sections of the worksheet.
