## Assembly Instructions

# Unpacking the Bouncer

To begin with the assembly of your Ingenuity 3 in 1 Bouncer, carefully unpack the box. Ensure you have all the parts before starting. The package should include:

- Bouncer frame
- Seat pad
- Safety harness straps
- Rocking base
- Assembly instructions manual

It is advisable to lay out all components on a flat surface to easily access each part during assembly.

## Step-by-Step Assembly

Follow these steps to assemble the Ingenuity 3 in 1 Bouncer:

1. **Attach the Frame:** Start by connecting the bouncer frame according to the diagram in the instruction manual. Ensure that the joints click into place securely.
2. **Install the Seat Pad:** Once the frame is stable, attach the seat pad to the frame. Make sure it is aligned correctly and securely fastened.
3. **Attach the Safety Harness:** Secure the safety harness straps to the seat pad, ensuring they are properly threaded through the designated slots.

4. Add the Rocking Base: If you intend to use the bouncer in rocking mode, attach the rocking base. This is typically done by sliding it into place until it locks.
5. Final Checks: Once assembled, double-check all connections and ensure that the seat pad is securely attached.

Following these steps will ensure that your bouncer is set up correctly and ready for use.

## **Safety Guidelines**

### **Weight and Age Limitations**

The Ingenuity 3 in 1 Bouncer is designed with specific weight and age limitations. It is essential to adhere to these guidelines to ensure your child's safety. The general recommendations include:

- Weight limit: Typically up to 30 pounds
- Age limit: Suitable for newborns to toddlers

Always check the manufacturer's specifications for your specific model to ensure compliance.

### **Proper Use of the Safety Harness**

Safety harnesses are crucial when using the bouncer. Ensure the harness is correctly adjusted and snug but not too tight. The straps should go over the shoulders and around the waist, securing your baby in place.

## **Supervision is Key**

Never leave your child unattended while they are in the bouncer. Always keep an eye on them to prevent accidents and ensure their safety.

## **Usage Tips**

### **Creating a Comfortable Environment**

To enhance your child's experience in the Ingenuity 3 in 1 Bouncer, consider the following tips:

- Use soft, calming music to soothe your baby.
- Ensure the area around the bouncer is free from hazards.
- Adjust the bouncer's position for optimal interaction with your child.

Creating a peaceful and safe environment is essential for your baby's comfort and well-being.

### **Transitioning Between Modes**

The Ingenuity 3 in 1 Bouncer can transition between different modes. To switch from bouncer to toddler seat or rocking chair:

1. Remove the Seat Pad: Detach the seat pad if necessary.
2. Adjust the Frame: Change the configuration of the frame as per the instructions provided in the manual.
3. Secure the Safety Harness: Ensure the safety harness is appropriately adjusted for the new mode.

This adaptability allows you to use the bouncer as your child grows, providing long-term value.

## **Maintenance and Care**

### **Cleaning the Bouncer**

To maintain the cleanliness and hygiene of the Ingenuity 3 in 1 Bouncer, regularly clean the seat pad and frame. The following steps are recommended:

- Remove the seat pad according to the instructions.
- Machine wash the fabric on a gentle cycle with mild detergent.
- Wipe down the frame with a damp cloth and mild soap.

Ensure everything is thoroughly dry before reassembling the bouncer.

### **Regular Inspections**

Periodically inspect the bouncer for any signs of wear and tear. Check the safety harness, frame

stability, and seat pad condition. If any components are damaged, discontinue use until repairs or replacements are made.
